CMRA PRODUCT VENDOR'S POLICY

The Central Motorcycle Roadracing Association (CMRA) recognizes that as the Lessee of various roadracing venues, it has the responsibility of establishing policies and procedures for those product vendors and merchandise marketers who wish to operate at CMRA sponsored events. Therefore the Board of Directors (BOD) may from time to time establish such policies and procedures stipulating rules of conduct, appropriateness of merchandise, resolution of conflict between vendors, vendor fees and any other such matters as the BOD thinks is prudent. These policies may include a requirement that each vendor applying for permission to operate at a CMRA event, be required to sign an Agreement whereby said vendor acknowledges the CMRA's Product Vendor's Policy and affirms these rules will be followed. Failure to do so will result in the possible expulsion of such non-conforming vendor from the leased premises or other such action as shall be determined by the BOD.

Every party that desires to enter into the premises under lease by the CMRA, with intention of displaying, selling, advertising or marketing products of any kind, shall be required to enter into a written Agreement with the CMRA that stipulates the policies, procedures and indemnification that the CMRA requires from each Vendor seeking permission to operate on said leased premises.

The CMRA, at its sole discretion, shall have the right to determine whether a Vendor's proposal to display, sell, and advertise or otherwise market a given product is consistent with the CMRA's standards of appearance, quality, or appropriateness.

The CMRA may apply a Vendor's fee at its sole discretion.

All Vendors shall be required to locate their trackside operations in the area determined by the CMRA.

The CMRA may make decisions at its own discretion as to whether a Vendor's proposal to market products shall be accepted.

All Vendors will be required to comply with any rules or fee policy established by the Leaser of the CMRA's leased premises.

The CMRA reserves the right to remove any Vendor from the leased premises if the CMRA, in its sole discretion, determines that said Vendor fails to comply with any CMRA rules or standards of reasonable behavior.

All Vendors must sign the Liability Waiver form and pay the weekend gate fee upon arrival at the track. No exceptions.

Vendors are permitted up two employees/workers who may be allowed early admittance into the track. The list of names will appear on the Gate List, but must be provided to the CMRA office prior to Vendor's arrival at the track.
