

ADDENDUM 3

May 26, 2009

The Part titled “**Pit Stops**” under Section **6.5 CMRA Endurance Series Classes and Regulations** on page 29 of the 2009 CMRA Rule Book, is modified to read as follows:

Pit Stops

Machine must be on a service stand and engine turned off during refueling, but not required during rider-only changes. Team members "over the wall" must have shirt, **closed toe & heel shoes**, and long pants on during all pit stops and must be at least 18 years of age unless they are a licensed racer. A team may have no more than 6 people over the wall at any time, including riders.

The rider must be off the bike and the machine **must be on a service stand and engine** turned off before refueling begins, and the machine must remain in this state until refueling ends. **No work of any kind whatsoever (including tire inspection or pressure check) may be done on the bike during refueling.**
