

## 2009 CMRA Sprint Class Guide

This is a courtesy guide to help you identify classes that your bike may qualify to race in, generally listed from most to least competitive classes for a Superstock-legal bike.

In the CMRA, you can race "up a class" but not "down a class".

The only exception is that Classic machines may ride down one class. (refer to rule book for clarification)

For example, a C Superstock-legal bike can run "up" in the C Superbike class, but not vice-versa.

In addition, a C Superstock-legal bike can run "up" in the B Superstock class, but not vice-versa.

Check the race schedule carefully to be sure you enter in the correct category and class for any given race.

IN CASE OF CONFLICT BETWEEN THIS COURTESY GUIDE AND THE CMRA RULEBOOK,  
THE CMRA RULEBOOK APPLIES. YOU, THE RACER, ARE RESPONSIBLE TO COMPLY  
WITH THE CMRA RULEBOOK AT ALL TIMES.
