NOTICE

Many Contingency Providers require a separate form to be completed and submitted prior to your first race of the season and/or at each race of the season. It is **your responsibility** to become familiar with each Contingency Provider's requirements and submit any and all required forms **when you take your machine for tech inspection**. You may **not** submit any required Contingency Provider forms **after** the race to which they apply.

Contingency Provider information and forms are available on the CMRA website on the [Contingency Page](#) and in the Tech Inspection Area at each event – **ask** the Tech Inspector **before** taking your machine to the Tech Inspection Area if you have any questions whatsoever.

BEFORE going to the Tech Inspection Area:

- Review the CMRA Rule Book and ensure that your machine and rider equipment meet all applicable requirements.
- Remove all old tech stickers from your machine and helmet.
- Complete the form (**VIN is required**) above the Racer Signature and Date line. **Do not enter anything below the racer signature line.**
- **READ THE RELEASE AND AGREEMENT.**
- Print the form, verify all text is visible / not clipped off at the margins, then sign and date the form. 'Electronic' signatures are allowed using the signature function in [Adobe Acrobat Reader](#). **Cut and paste signatures will not be accepted.**
- Complete any and all Contingency Provider forms required to be submitted at the event.

TAKE to the Tech Inspection Area:

- This completed form.
- All of your yellow-copy Entry Forms and Pre-Entry Forms for the machine in being inspected (to ensure you get all required stickers).
- **Any and all** required completed Contingency Provider forms.
- Your machine with the lower fairing removed.
- Your separated lower fairing.
- Your helmet, leathers, boots, and gloves.
- Your transponder does NOT have to be mounted on the machine but **your transponder mount must be installed.**

You may make multiple trips to the Tech Inspection Area if required to get all of your equipment inspected.

If any NON-COMPLIANT items are observed by the Tech Inspector they will be indicated by an "X" in the box on the Tech Inspection Form and the form will be returned to you without the Tech Inspector's signature.

Only upon achieving FULL COMPLIANCE for all items, the tech Inspector will sign and **retain** your Tech Inspection Form, all supporting Contingency Provider forms, and affix a Tech Sticker to your machine and helmet as applicable.

DO NOT enter the track for any purpose on a machine or wearing a helmet which does not display the Tech Sticker for the event.
